

BS/MS Application Forms

1. Application to the Chemical Engineering Department BS/MS Program

- Due to Graduate Program Director before you begin an ENCH 600-level course (typically fall of your senior year).
- You must have a GPA ≥ 3.0
- If your $2.9 < \text{GPA} < 3.0$ AND you have a plan to have a GPA ≥ 3.0 by Feb 1 of your senior year, you may apply to the departmental BS/MS program on a provisional basis. If you change your mind or GPA < 3.0 by Feb 1, the 600-level ENCH courses will still count towards your BS.

2. Application to the Accelerated BS/MS Program (UMBC form)

- Due to the UMBC Graduate School by Feb 1 of your senior year
- Your GPA ≥ 3.0 when you submit the form or you will not be admitted. The Graduate School does not make any exceptions.

3. Application to the UMBC Graduate School (online process)

- Due to the UMBC Graduate School by Feb 1 of your senior year
- Your GPA ≥ 3.0 when you submit the form or you will not be admitted. The Graduate School does not make any exceptions.

4. Request for Approval for Undergraduates to Take Courses for Graduate Credit

- This form must be completed each semester you take 600-level courses before you complete your BS degree.
